I had this dream and...

Chad Winterle

I had this
dream and
 you were in it.
I didn't even
 know you#
still...
 maybe I mean
calm...
 we
didn't
 speak.
but it really
 wasn't
necessary#
 but it really
 was (some punctuation here)
I kinda...
 assumed I
 would wake up
I... never really
 did
I tried
 counting backwards
 from
ten.#
 and you asked me
without speaking
 if it was just a
dream.
and I thought
 yours or
 mine?
 and one
 day, after some
 time passed,
morning light
shone through
a window
 its appearance
 was
not entirely
 arbitrary.
without
waking,
 I fell into
 a dream#
